

CHANGES FOR 2022!

- Please be aware that Trash disposal costs are increasing for every one each year. With the closings of landfills across the State and the fact that waste to energy plants are all 30 years old, less efficient and require more maintenance and downtime, there are less options for our contractors.

NOTE OTHER ISSUES THAT CONTINUE TO BE A PROBLEM

- Trading your vehicle or replacing your windshield? Bring back your sticker even in pieces. There is a \$15.00 replacement fee if original sticker is not returned.
- MASK UP! We take COVID-19 very seriously and you should too while you're here. As clean as we try to keep it here, we still deal with waste from all over town and the surrounding area and we speak to hundreds of people per week. Be safe: wear a mask when possible, practice social distancing and please stay healthy.
- Styrofoam, plastic bags and plastic wrap are still not accepted here for recycling even with a symbol. Our contractor does not recycle these materials.
- The only glass to be recycled here are glass bottles and jars. All other glass is trash or demo.
- Any plastics without the recycling symbol cannot be recycled here. You cannot recycle rigid plastics or vinyl. Large plastic items such as toys, even with symbols, are not accepted by our contractor.
- Please rinse your containers. If we can make a peanut butter and jelly sandwich from your containers than you are contaminating the load! Use common sense as to what is proper recycling, or ask if you're not sure.
- Pizza boxes, paper plates, and take-out containers are not allowed in recycling. They're usually soiled or coated. This contaminates the load.
- Your resident sticker allows you to service your one household only. If you are servicing friends, relatives or neighbors not living in your household, "on your honor" please purchase a commercial sticker. Landlords also require a commercial sticker for servicing tenants.
- **EXPECT DELAYS** Following winter storms. We have limited personnel and clearing is safer and faster without resident activity. Management will open when it is deemed to be relatively safe.

2022 ADDITIONAL INFORMATION

SAVE TIME AND MONEY - PLEASE REVIEW

- **Athol trash bags must be tied and closed. Overstuffed bags will be rejected.**
- **Bulk rate to dispose of MSW (household trash) is \$124 per ton with a \$40.00 minimum.**
- **Remember Tuesdays require a commercial sticker. Resident days are Wed.-Sat.**
- **When transferring your trash into Athol trash bags please do not block the hopper disposal area. Use the spaces designated for parking.**
- **When stopping at the office please park in marked parking spaces. Do not park on the scale or travel lane.**
- **Latex paint cans may go into trash if it is dried or absorbed (use kitty litter or oil dry).**
- **Save money, remove doors from refrigerators and freezers. There is a \$5.00 additional charge if doors are not removed.**
- **Should a commercial hauler be blocking the designated disposal hopper, please set your bags on the ground next to the working attendant.**
- **Please do not hesitate to ask for assistance if needed to unload large or heavy items.**
- **Plastic oil containers are contaminated and do not go into recycling even with a symbol. Drain well and place into your trash.**
- **Please check into the office or with an attendant before disposing of any item listed on the price chart for which there is a charge.**
- **White goods, microwaves, A/C units or any other items containing metal that appears on our price list cannot be placed into metal without being paid for (in advance).**
- **PICKING THROUGH METAL CONTAINER IS NOT ALLOWED!**
- **Please check the holiday schedule on page 4 before calling to see if we are open!**

THANK YOU FOR YOUR COOPERATION.

2022 PRICING POLICY FOR BULKY WASTE, DEMO, STYROFOAM AND METAL

BULKY WASTE-SMALL DEMOLITION

- Recycling is free, but for all other disposals there is a disposal charge.
- There is a \$8.00 minimum to throw anything into our demo boxes from a toothpick up to 40lbs.
- Loads over 40lbs up to 220lbs are weighed at \$.20 per pound.
- Loads of 240lbs up to 600lbs are charged a flat rate of \$48.00.
- Loads greater than 620lbs will be charged at our bulk rate of \$160.00 per ton.
- Roofing shingle loads of 1000lbs or more will be discounted to 140.00/ton.
- **ABSOLUTELY NO HAZARDOUS WASTE OR LIQUID PAINT** is to be disposed into our demo box or trash.

FURNITURE

- Single loads of furniture of 1000lbs or more will be charged at \$240.00 per ton.

HOUSE, GARAGE OR BASEMENT CLEANOUTS

- For bulky waste cleanouts which weigh 1000lbs or more, up to 3 furniture items will be allowed in the mix and will not be charged from itemized list. (Mattresses are not included)
- Food waste is not allowed. During cleanouts, place all food waste and household trash into bags and dispose of into trash compactors. The \$40.00 (MSW) minimum will be waived when separated from a mix load.
- Recyclable cardboard, bottles and jars, tin cans and plastic containers should be separated and recycled at no charge. Your load may be subject to inspection and may be refused if excess recycling is observed in the mix.

STYROFOAM, INSULATION AND PLASTIC WRAP

- Bulk loads of Styrofoam and/or plastic wrap or insulation will be charged at 450.00 per ton.
- Loads that contain excessive Styrofoam or plastic wrap in the mix will be charged a surcharge of \$10.00 up to \$50.00 depending on volume.

METAL DISPOSAL

- There is a minimum charge of \$2.00 for any metal disposals up to 40lbs.
- Loads of over 40lbs will be weighed and charged at \$.05/lbs.

ITEMIZED METAL PRICES

- | | |
|--|---------|
